**JOINT BASE McGUIRE-DIX-LAKEHURST, N.J.** — Buck Buchanan, right, Program Management's (AIR 1.0) deputy assistant commander for Acquisition, congratulates Shane Campana, aviation wiring common support equipment team leader, for receiving a letter of appreciation from a senior DoD official during a site meeting and awards ceremony April 30 at NAVAIR's Lakehurst, N.J., site. Issued by Deputy Assistant Secretary of Defense John Johns, the letter praised Campana, who supports the Common Aviation Support Equipment Program Office (PMA-260), for helping to revolutionize complex electronics testing for the DoD.
